Mr. Allan Jarvie, Chairperson
Chinook Society for Recovering Addicts
408 – 13 Street North
Lethbridge, AB T1H 2S2

Dear Mr. Jarvie:

Thank you for taking the time to make a presentation to Lethbridge City Council on June 29th to inform us of your recent activities. Council then passed a resolution directing me to write a letter of support recognizing the positive societal impact being made by the Chinook Society for Recovering Addicts, and it is my pleasure to do so.

Based on your information that your facility welcomes 1000 visitors a month, it is obvious that you are providing a much-needed service within our community. With that much traffic, it's easy to see why renovations are needed, and I congratulate your membership on undertaking a fund-raising drive to assist with this expense.

It is our hope that the society will soon be welcoming all its visitors to more suitable space.

Yours truly,

Robert D. (Bob) Tarleck, M.A., M.Ed.
