To Whom It May Concern

Dear Sir/Madam:

Having been updated on progress the Chinook Society for Recovering Addicts is making in the community, I am very pleased to I extend my support to this innovative organization, as it endeavors to raise funds for an extensive renovation of its Lethbridge facility.

Allan Jarvie, my Lethbridge riding constituent and active director of the Chinook Society for Recovering Addicts, has kept me apprised of fundraising efforts as the charitable organization makes inroads in raising \$65,000 as its share of the project.

This organization is worthy of any assistance you may be able to provide, as its unique mandate of providing a facility in which 12 step fellowships and other related groups, organizations and individuals may rent space in our affordable, clean, safe environment in which to continue their recovery from addiction related issues is of benefit to users and a great service to our community.

Sincerely,

Rick Casson, MP
